A photograph of two small, rustic Easter baskets. Each basket is made of a black wire handle and a wooden base, filled with dried, fluffy grasses. A white card is tucked into each basket, featuring a small black line drawing of a chick and the text "HAPPY EASTER" and the name "Amélie" in a cursive font. The baskets are placed on a grey concrete floor. In the background, there are two large, light-colored terracotta pots, one containing a green plant. A large white diamond shape with a thin black border is superimposed over the center of the image, containing the word "Easter" in a simple black font. To the right of the baskets, three speckled white eggs are scattered on the floor.
